Bringing New Life to Senior Living®

## Assisted Living

When you turned 70, did your passions fade? We didn't think so. Family. Hobbies. Travel. If anything, age strengthens those desires. But as you get older, you sometimes need a little help. When you're a resident at a Brookdale Assisted Living community, we can assist you with the little things — like simple housekeeping and meals — and with more involved activities, such as bathing, getting dressed and providing healthcare. Most importantly, we cater it to your specific needs. So go do the things you love to do, and let us help with the rest.

We'd love to tell you more, but we've run out of room. Visit [brookdale.com/more](http://brookdale.com/more) to get all the details.

Two things we do that we're really proud of:

### Our Dining Program

Dining is like a social activity at Brookdale, and the dining room is where you'll often see your new friends and fellow residents. Our dining associates are eager to serve each meal with a variety of menu options that are nutritious and delicious.

### Optimum Life®

Optimum Life is the way we define wellness. We meet you where you are with six dimensions of wellness, so you'll never stop growing.

And these are included in your monthly fee, so they don't cost you a cent more.
